

## THE CALL FOR ABSTRACTS IS OPEN AND YOUR PARTICIPATION IS VERY WELCOME!

We are pleased to announce that **FloraMac 2025** will be hosted by the Azorean Biodiversity Group (GBA-CE3C) (School of Agrarian and Environmental Sciences, University of the Azores) and will take place from **22 to 26 of September of 2025** in **Angra do Heroísmo**, Terceira, Azores, Portugal.

For five days (September 22, 23, 25 and 26) we will be able to discuss and present the latest, most updated research on Macaronesian flora in a friendly environment.

Besides a full day of Excursion, on the 24th of September, we will have oral presentations, poster sessions, and five lectures delivered by our invited Keynote speakers:

**Carlos Góis-Marques**  
Madeira Botanical Group;  
University of Madeira;  
Portugal

**Isabel Sanmartin**  
Real Jardin Botanico,  
Consejo Superior de  
Investigaciones Científicas  
(CSIC), Spain

**Jairo Patiño**  
Island Ecology and Evolution  
Research Group (GEEI);  
Instituto de Productos  
Naturales y Agrobiología  
(IPNA-CSIC); Spain

**Joana Barcelos e Ramos**  
Institute of Agricultural and  
Environmental Research and  
Technology, University of the  
Azores, Portugal

**Severin Irl**  
Institute of Physical  
Geography at the Goethe-  
University Frankfurt,  
Germany

During the Symposium there will be time for International Projects meetings and Networking and we will also provide an introductory course to Darwin Core and Data Paper production.

Participants are cordially invited to contribute with oral presentation and posters. All communications will undergo a per-review process.

**Deadline for abstract submission is April 15, 2025.**

Please check the congress webpage at: <https://floramac2025.weebly.com/>

**WE LOOK FORWARD TO MEETING YOU IN ANGRA DO HEROÍSMO IN SEPTEMBER!**
